36 Foot Luxury Coach, Huge 7000w Generator.

Wow!!! Now you really don't have any excuses, it's time to take that trip or vacation!!!! I have taken very good care of the coach and kept it up to date with the services. You really have to see this coach to appreciate the large, roomy areas.

Great Price, You can't even buy a van conversion for this price. This coach will make some family very happy this season.

Very Spacious ,the dining area opens, Thanks to the 1st slideout, into a great big living area! The kitchen & living room really feels spacious. The beautifully wood trimmed interior sets the stage for luxury, and is in perfect condition. It has a rear queen size bed and slideout making a huge bedroom, rear separate toilet with separate shower, a dinette booth that converts to a bed and large sleeper sofa, It sleeps 8 comfortably. Across the way is a swivel captain chair with more seatbelts.

All appliances are well maintained, including the one piece washer and dryer, refrigerator, microwave, stove/oven, beautiful corian-like sink and countertop, tons of cabinets and drawers all around, laminate wood floors and carpet that are in excellent condition .

The coach comes with two TV's, radio/ cassette player , rear view video motion, sun visors and window shades ,dash A/C and two ducted roof A/C units that freeze you out! Spacious

under-coach storage bins provide ton's of cargo area to take anything you may want for your vacation trips. 12 in all! The mileage is 59600, which is just the beginning for the power packed 454 engine. For additional pictures or info, [please email me](#) .
